THE WILD LIFE (PROTECTION) ACT, 1972

INTRODUCTION

The rapid decline of wild animals and birds in India has been a cause of grave concern. Some wild animals and birds have already become extinct in the country and others are in the danger of being so. Areas which were once teeming with wild life have become devoid of it and even in Sanctuaries and National Parks the protection afforded to wild life needed to be improved. The Wild Birds and Animals Protection Act, 1912 (8 of 1912) had become completely outmoded. The existing State laws were not only outdated but provided punishments which were not commensurate with the offence and the financial benefits which accrued from poaching and trade in wild life produce. An urgent need for introducing a comprehensive legislation, which would provide protection to wild animals and birds, was felt by the Government. But the Central Government had no power to make a law in this regard as the subject-matter related to entry 20 of the State list in the Seventh Schedule. Different State Legislatures also found that the State laws were not adequate to deal with the matter effectively. The Legislatures of the States of Andhra Pradesh, Bihar, Gujarat, Haryana, Himachal Pradesh, Madhya Pradesh, Manipur, Punjab, Rajasthan, Uttar Pradesh and West Bengal passed resolutions empowering Parliament to pass the necessary legislation on the subject. Accordingly the Wild Life (Protection) Bill was introduced in the Parliament.

STATEMENT OF OBJECTS AND REASONS

The rapid decline of India's wild animals and birds, one of the richest and most varied in the world, has been a cause of grave concern. Some wild animals and birds have already become extinct in this country and others are in the danger of being so. Areas which were once teeming with wild life have become devoid of it and even in Sanctuaries and National Parks the protection afforded to wild life needs to be improved. The Wild Birds and Animals Protection Act, 1912 (8 of 1912), has become completely outmoded. The existing State laws are not only out-dated but provide punishments which are not commensurate with the offence and the financial benefits which accrue from poaching and trade in wild life produce. Further such laws mainly relate to control of hunting and do not emphasize the other factors which are also prime reasons for the decline of India's wild life, namely, taxidermy and trade in wild life and products derived therefrom.

2. Having considered the relevant local provisions existing in the States, the Government came to the conclusion that these are neither adequate nor satisfactory. There is therefore, an urgent need for introducing a comprehensive legislation, which would provide for the protection of wild animals and birds and for all matters connected therewith or ancillary and incidental thereto.

3. Legislation in respect of the aforesaid subject-matters relatable to entry 20 of the State list in the Seventh Schedule to the Constitution, namely,

The Wild Life (Protection) Act, 1972

protection of wild animals and birds and Parliament has no power to make a law in this regard applicable to the State (apart from the provisions of articles 249 and 250 of the Constitution) unless the Legislatures of two or more States pass a resolution in pursuance of article 252 of the Constitution empowering Parliament to pass the necessary legislation on the subject. The Legislatures of the States of Andhra Pradesh, Bihar, Gujarat, Haryana, Himachal Pradesh, Madhya Pradesh, Manipur, Punjab, Rajasthan, Uttar Pradesh and West Bengal have passed such resolutions.

4. The Bill seeks to—

- (a) constitute a Wild Life Advisory Board for each State;
- (b) regulate hunting of wild animals and birds;
- (c) lay down the procedure for declaring areas as Sanctuaries, National Parks, etc.;
- (d) regulate possession, acquisition or transfer of, or trade in wild animals, animal articles and trophies and taxidermy thereof;
- (e) provide penalties for contravention of the Act.

ACT 53 OF 1972

The Wild Life (Protection) Bill having been passed by both the Houses of Parliament received the assent of the President on 9th September, 1972. It came on the Statute Book as THE WILD LIFE (PROTECTION) ACT, 1972 (53 of 1972).

CHAPTER III HUNTING OF WILD ANIMALS

9. Prohibition of hunting.—No person shall hunt any wild animal specified in Schedules I, II, III and IV except as provided under section 11 and section 12.]

COMMENTS

(i) Section 9 says that no person shall "hunt" any wild animal specified in Schedule I. Elephant is included in Schedule I; *State of Bihar v. Murad Ali Baig*, AIR 1989 SC 1.

(ii) The business of breeding of birds in captivity by procuring them by trapping is prohibited; *Chief Forest Conservator (Wild Life) v. Nisar Khan*, (2003) 4 SCC 595.

10. Maintenance of records of wild animals killed or captured.—[*Rep. by the Wild Life (Protection) Amendment Act, 1991* (44 of 1991), sec. 10 (w.e.f. 2-10-1991).]

11. Hunting of wild animals to be permitted in certain cases.—(1) Notwithstanding anything contained in any other law for the time being in force and subject to the provisions of Chapter IV,—

- (a) the Chief Wild Life Warden may, if he is satisfied that any wild animal specified in Schedule I has become dangerous to human life or is so disabled or diseased as to be beyond recovery, by order in writing and stating the reasons therefor, permit any person to hunt such animal or cause such animal to be hunted:

⁷[Provided that no wild animal shall be ordered to be killed unless the Chief Wild Life Warden is satisfied that such animal cannot be captured, transquillised or translocated:

1. Subs. by Act 16 of 2003, sec. 8, for "the Wild Life Advisory Board" (w.e.f. 1-4-2003).
2. Subs. by Act 16 of 2003, sec. 8, for clause (a) (w.e.f. 1-4-2003).
3. Subs. by Act 44 of 1991, sec. 8 for clause (b) (w.e.f. 2-10-1991).
4. The word "and" omitted by Act 44 of 1991, sec. 8 (w.e.f. 2-10-1991).
5. Ins. by Act 44 of 1991, sec. 8 (w.e.f. 2-10-1991).
6. Subs. by Act 44 of 1991, sec. 9, for section 9 (w.e.f. 2-10-1991).
7. Ins. by Act 16 of 2003, sec. 9 (w.e.f. 1-4-2003).

Provided further that no such captured animal shall be kept in captivity unless the Chief Wild Life Warden is satisfied that such animal cannot be rehabilitated in the wild and the reasons for the same are recorded in writing.

Explanation.—For the purposes of clause (a), the process of capture or translocation, as the case may be, of such animal shall be made in such manner as to cause minimum trauma to the said animal.]

- (b) the Chief Wild Life Warden or the authorised officer may, if he is satisfied that any wild animal specified in Schedule II, Schedule III, or Schedule IV, has become dangerous to human life or to property (including standing crops on any land) or is so disabled or diseased as to be beyond recovery, by order in writing and stating the reasons therefor, permit any person to hunt [such animal or group of animals in a specified area or cause such animal or group of animals in that specified area to be hunted].

(2) The killing or wounding in good faith of any wild animal in defence of oneself or of any other person shall not be an offence:

Provided that nothing in this sub-section shall exonerate any person who, when such defence becomes necessary, was committing any act in contravention of any provision of this Act or any rule or order made thereunder.

(3) Any wild animal killed or wounded in defence of any person shall be Government property.

COMMENTS

To decide whether in killing an animal the accused acted in self-defence or not, the nature and ferocity of the animal will be relevant. On the basis of the facts and circumstances of the case there can be no doubt that the accused acted in defence of his life and his act did commensurate with defence. Thus in this case of killing the tiger in good faith in defence of oneself it cannot be said that the accused was committing any offence prior to shooting the tiger that charged at him. Therefore, the impugned order of conviction and sentence is contrary to the provisions of section 11 of the Act and as such it is liable to be set aside; *Tilak Bahadur Rai v. State of Arunachal Pradesh*, 1979 Cri LJ 1404.

12. Grant of permit for special purposes.—Notwithstanding anything contained elsewhere in this Act, it shall be lawful for the Chief Wild Life Warden, to grant [***] a permit, by an order in writing stating the reasons therefor, to any person, on payment of such fee as may be prescribed, which shall entitle the holder of such permit to hunt subject to such conditions as may be specified therein, any wild animal specified in such permit, for the purpose of,—

- (a) education;
- ¹[(b) scientific research;
- (bb) scientific management.
Explanation.—For the purposes of clause (bb), the expression, "Scientific Management" means—
 - (i) translocation of any wild animal to an alternative suitable habitat; or
 - (ii) population management of wild life without killing or poisoning or destroying any wild animals;]
- ²[(c) collection of specimens—

 - (ii) for museums and similar institutions;
- (d) derivation, collection or preparation of snake-venom for the manufacture of life-saving drugs:]

 - (a) in respect of any wild animal specified in Schedule I, except with the previous permission of the Central Government, and
 - (b) in respect of any other wild animal, except with the previous permission of the State Government.]

**⁴[CHAPTER IIIA

17E. (2) The provisions of sub-sections (3) to (8) (both inclusive) of section 44, section 45, section 46 and section 47 shall, as far as may be, apply in relation to an application and a licence referred to in section 17C and section 17D as they apply in relation to the licence or business in animals or animal articles.

17F. Possession, etc., of plants by licensee.—No licensee under this Chapter shall—

- (a) keep in his control, custody or possession—
 - (i) any specified plant, or part or derivative thereof in respect of which a declaration under the provisions of section 17E has to be made but has not been made;

CHAPTER IV
[PROTECTED AREAS]

Sanctuaries

18. Declaration of sanctuary.—²[(1) The State Government may, by notification, declare its intention to constitute any area other than an area comprised within any reserve forest or the territorial waters as a sanctuary if it considers that such area is of adequate ecological, faunal, floral, geomorphological, natural or zoological significance, for the purpose of protecting, propagating or developing wild life or its environment.]

(2) The notification referred to in sub-section (1) shall specify, as nearly as possible, the situation and limits of such area.

Explanation.—For the purposes of this section it shall be sufficient to describe the area by roads, rivers, ridges or other well-known or readily intelligible boundaries.

COMMENTS

The purpose of the notification declaring the area as Game Reserve under the Rajasthan Wild Animals and Birds Protection Act, 1951; or the declaration of the area as a sanctuary under the notification dated 1-1-1975 declaring the area as a protected forest under the Rajasthan Forest Act, 1953 is to protect the Forest Wealth and Wild Life of the area; *Tarun Bharat Sangh, Alwar v. Union of India*, AIR 1992 SC 514.

The respondents are entitled to declare any area other than area comprised with any reserve forest or territorial waters as a sanctuary as per the provisions of section 18 of the Act, but that can be done only after following the provisions contained in the Act. The respondents can take follow up action for evicting persons from the area falling within the declared sanctuary in accordance with the provisions as contained in Chapter IV of the Act. None of these things has been found to be followed by the respondents in passing the orders prejudicially affecting the petitioners. Therefore, the impugned orders are not sustainable in law and accordingly they deserve to be quashed; *Jnladhar Chakma v. Deputy Commissioner, Aizawl, Mizoram*, AIR 1983 Gau 18.

[18A. Protection to sanctuaries.]—(1) When the State Government declares its intention under sub-section (1) of section 18 to constitute any area, not comprised within any reserve forest or territorial waters under that sub-section, as a sanctuary, the provisions of sections 27 to 33A (both inclusive) shall come into effect forthwith.

(2) Till such time as the rights of affected persons are finally settled under sections 19 to 24 (both inclusive), the State Government shall make alternative arrangements required for making available fuel, fodder and other forest produce to the persons affected, in terms of their rights as per the Government records.]

[18B. Appointment of Collectors.]—The State Government shall appoint, an officer to act as Collector under the Act, within ninety days of coming into
